

industrialAll Europe

2012-2023

More than 10 years of a European Trade Union
Federation in action!

industrialall-europe.eu

Who are we?

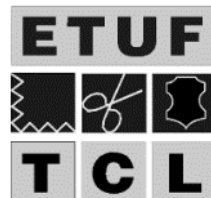

https://www.youtube.com/watch?v=_5PgOCLG0qk

Secretariat

Created in **2012** by the merger of :

Today, a European Federation of:

- **200** trade unions representing
- **7 million** workers in industry (metal, chemical, textile), mining and energy, in
- **39** European **countries**

10 Sectors

- **Aerospace**
- **Automotive**
- **Basic metals**
- **Basic materials (rubber, glass, paper...)**
- **Chemicals & Pharmaceuticals**

- **Energy**
- **ICT**
- **Mechanical engineering**
- **Shipbuilding and ship repair**
- **Textiles, clothing, leather and footwear**

Partner organisations

The European Trade Union Confederation (member)

The other European trade union federations

European Federation
of Building
and Woodworkers

The Global trade union federation of industrial workers

What do we do?

Our mission

Develop common positions and defend them with a single voice vis-à-vis :

- **Multinational companies**
- **European employers' organisations**
- **European institutions**

Our mission

To promote cooperation, exchange and sharing of experiences between member organisations

Develop common demands and actions for:

- Strengthening (European) workers' rights
- Influencing European industrial and social policy
- Influencing the strategies of multinationals
- Building stronger unions

Creating a counterweight to European employers' organisations and multinational companies

How do we do it?
